

THE ATEQ AWARD

The ATEQ Award is determined annually by the Executive Committee of the Association of Teachers of English of Quebec. It is awarded to an individual practicing teacher or a group of practicing teachers for an outstanding contribution to the field of English Language Arts in the Province of Quebec.

The individual or group may not be particularly well known, but may have been working quietly and steadily to encourage any or all facets of English Language Arts education. The ATEQ Award recognizes the diligence and perseverance of such an educator committed to the enrichment of the teaching profession.

We invite you to make these efforts known so that those directly involved may be recognized and honored.

The award will be presented at the annual Springboards Conference.

The deadline for nominations is March 1st.
